Summary

The Grand Jury was provided little to no information on Father McGee. The only documents that were provided were three internal Diocese of Pittsburgh memorandums. The memorandums revealed that in January 2004 a sexual allegation was made against McGee wherein an adult male alleged that McGee masturbated him when he was a high school student in the early to mid-1970's at Canevin High School in Allegheny County. The male's younger brother further advised that McGee groped his genitals while he slept on a couch.

These allegations were shared with the Allegheny County District Attorney's Office.
