Humberto Cardinal Medeiros
Cardinal's Residence
Brighton, Massachusetts

Your Eminence,

After much deliberation, thought, and prayerful consideration, I have determined that it has become impossible for me to continue on in my present assignment. Because of the personality clashes and tension that have developed, I request that you remove me from this assignment as quickly as possible and have me reassigned elsewhere. I thank you for your time and await your reply.

Faithfully yours,
- Rev. Richard A. Buntek
